

Sandeep Times

This Time, Go Deep!

Campaign Edition, Week 3

Volunteers Make ALL the Difference!

On February 16 & 17 more than 75 people volunteered for Team Deep and distributed brochures to thousands of households in Edmonton Manning. *"I am truly honoured and grateful for the support of family, friends and constituents. Saying thank you hardly seems enough for the time and effort many people have given this campaign"* -Sandeep

Campaign Notes

The last week has been a busy one for our candidate. He reports that he has walked approximately 95 kms to date and knocked on more doors than he can count. He's also taken the time for a seniors' coffee and an hour-long radio call in show. And the hard work is paying off as more constituents are deciding to "go Deep" this election.

All Candidates Forum

McClure United Church is hosting a candidates' forum for Edmonton Manning, Wednesday, February 27, 7:00 - 8:30pm. The Church is located at: 13708 - 74 st. Sandeep would love to see you at the debate.

Mission Critical: E-Day

Our E-day coordinator, Jason, tells us that the most important day of any campaign is Election Day. It is crucial that we "get out the vote" and that can only be done by volunteers. We need constituents to act as polling station scrutineers, folks willing to phone Liberal voters, drivers to assist those with mobility problems, and hundreds of other important tasks. If you have time on March 3, give Ajay a call (475-3601) or email volunteer@sandeepdhir.ca so that we can add you to the list.
