

Election!

The Tories have admitted it's time to face the music and have called an election for March 3, 2008. Now TeamDeep needs YOU!

February 4, 2008 No. 4

Door Knocking

Do you enjoy the outdoors in February? Ok, no one does, but this is a great way to combine exercise and voter identification. Grab a friend and spend a couple of hours out and about in the constituency.

Signs

Good with your hands? We have 100s of lawn signs and we need teams of volunteers to deliver them.

Calling

Do you have a great telephone voice? Like talking to people? Drop by the office and make a few calls for TeamDeep! If you think you only have a few hours to volunteer, consider Election Day as this is the most important calling day of the entire campaign!

Mail & Brochures

Don't like talking to people? Just want exercise? Consider dropping brochures in constituents' mailboxes.

Fundraising

Have a spare loonie or two? Do you enjoy tax credits? Now's a great time to donate to Deep's campaign. Cheques can be made out to: Sandeep Dhir Campaign and delivered to 5519-137ave, T5A 3L4

Your Effort

Every volunteer minute counts. Sandeep thanks each and everyone of you for your support during this campaign!

Campaign HQ Open

The HQ is located at 5519-137 ave, next door to the Boston Pizza. We hope to see everyone many, many times during the election!

The Edmonton Manning Constituency office is open and ready for an election. More than 50 volunteers attended the Saturday open house not just for a coffee with Sandeep, but they also delivered brochures to many polls in the riding! Thanks to everyone for making the opening such as success!

Campaign office is just the beginning

Sandeep is happy to have space for the campaign -- something that is not easy to come-by in "Boom Alberta". But this is just the beginning. Real success in the election can only be determined on Election Day and it is the volunteer hours that are going to make the difference in Edmonton Manning. If you have any time in the next 28 days, please

More than 50 volunteers and supporters dropped by for Sandeep's HQ Grand Opening. Drop by anytime: 5519 - 137 ave.

consider giving the campaign office a call (475-3601) and let us know when you are available and what tasks you would be interested in taking on. When you are thinking about volunteering, also think if there is a friend or family member that you can bring along. Many hands make light the work!
