SANDEEP ON THE DOORS

In the first 5 days of the writ, Sandeep has walked more than 35 kms in temperatures that touched -25c by Friday evening. More than 195 signs have been delivered to homes. It's been a busy, successful week, but it is just the beginning.

VOLUNTEERS NEEDED

A campaign is only as successful as its volunteers. We're calling on all TeamDeep members to volunteer some time toward the campaign.

A BROCHURE DROP EXTRAVAGANZA

February 16 & 17 we will be dropping Sandeep's new brochure throughout the entire constituency. This is an "all hands on deck" event and we hope to complete all 73 polls over the two days. If you can participate, please contact Ajay at 475-3601.

It's time.
